

# YOUNG ENGINEERS AUSTRALIA – VICTORIA

## Waubra Wind Farm Tour

Saturday, 21 November 2009

This exciting full day  
event brought to you by  
**Acciona Energy**

Proudly Sponsored by:

# SKM

**VENUE:** Meet at Acciona Energy's Headquarters, 95 Coventry Street South Melbourne (Mel. Ref 2F F12)

**TIME:** 9am, returning to Melbourne at approximately 4pm

**COST:** Members: \$25; Non-members: \$35

The Waubra Wind Farm Project is the largest renewable power project in the Southern Hemisphere. It is located in Waubra, approximately 35kms North West of Ballarat.

The tour will begin at Acciona Energy's headquarters. After a short presentation and discussion we will jump on a bus destined for the windy hills of Waubra to check out Acciona Energy's facilities and enjoy a free lunch.

Please note safety requires that long pants and closed shoes are worn.

**RSVP:** ESSENTIAL by Friday, 13 November to: [yeavic@engineersaustralia.org.au](mailto:yeavic@engineersaustralia.org.au)
